

Moving Mountains is an ecumenical Cumbria wide mission taking place between the 8th and 11th March ending on Mothering Sunday under the banner of "God For All". The purpose of the mission is that everyone should have the chance to discover more of God and His purpose for their lives and church communities should feel emboldened and enlivened at the prospect of sharing in this.

The mission will take place from 8-11 March this year, ending on Mothering Sunday. In the west of Carlisle we will be working with our Anglican friends and hosting a mission team to be led by the Bishop of Sherwood, the Right Reverend Tony Porter. The idea is that we should base our efforts upon things which we are already doing. Members of the team will be joining us at the events which are organised.

The events which particularly involve members of Wigton Road Methodist Church are:

**Thursday 8 March 7.00pm Café Worship with Rev Ian Johnston**

**Friday 9 March 6.00pm Kids Club**

**Saturday 10 March 8.30am for 9.00am.**

**We will be helping to organise Carlisle Park run in Chances Park**

**Saturday 10 March 7.00pm Pie and Pea Supper and Quiz**

All events at the church unless otherwise indicated.
